THE ART OF WHISKEY

SPEYSIDE & ISLAY
2021

INTRODUCTION

THE ART OF WHISKY

SPEYSIDE AND ISLAY

Explore the wild, untamed beauty of the Scottish Highlands, revered for stunning, natural landscapes, vast skies and home to some of the finest whisky distilleries in the world.

Your voyage of discovery begins in Moray Speyside, tucked between the rugged Highlands and the fertile pastures of Aberdeenshire, Speyside takes its name from the clear waters of the River Spey, the jewel in Scotland's salmon fishing crown.

Arguably the most famous of Scotland's whisky producing regions, this beautiful area of sheltered glens and mountain-fed streams is home to more than half of Scotland's distilleries including Glenfiddich, Glenlivet and The Macallan.

From Speyside your journey continues to the islands of Islay and Jura. These spectacular Southern Hebridean islands are best known for their smoky, peaty whiskies, regarded by many as the best in the world. Enveloped by wild, deserted beaches and watched over by soaring mountain peaks, this is Scotland at its very best.

The details found within are a broad-brush outline of potential experiences. They should be viewed as a suggestion from which we can work with you to craft your own unique and memorable journey.
